PROTECTED CHARACTERISTICS

PROMOTING THE NINE PROTECTED CHARACTERISTICS

The Equality Act became law in 2010. It covers everyone in Britain and protects people from discrimination, harassment and victimisation.

The Equality Act protects people against discrimination because of the protected characteristics that we all have.

Under the Equality Act, there are nine protected characteristics:

1. Age
2. Disability
3. Gender reassignment
4. Race - including colour, nationality, ethnic or national origin
5. Religion or belief
6. Marriage or civil partnership
7. Sex
8. Sexual orientation
9. Pregnancy and maternity

No form of discrimination is tolerated at Cantrell Primary and Nursery School and our pupils show respect for those who share the protected characteristics.

We do not teach about all the protected characteristics in every year group. The curriculum is planned and delivered so that our pupils develop age appropriate knowledge and understanding during their time at Cantrell Primary and Nursery School.
