

# **CANTRELL PRIMARY AND NURSERY SCHOOL**

## **CHARGING FOR ACTIVITIES POLICY**

**March 2022**

## **Background**

Key documents providing more detailed information on charging for school activities include:

- Sections 449-462 of the Education Act 1996 sets out the law on charging for school activities in schools maintained by Local Authorities in England.
- DES Circular 2/89 Charges for School Activities (DfES Publications)
- DFE letter of 22 September 1993 to all LAs and maintained schools in England about charging for instrumental music tuition in maintained schools
- DfEE letter of 17 September 1996 on Jobseeker's Allowance: Free School Meals and Milk and the Remission of Fees and Charges.

## **Aims of this Policy**

- continually improve standards of teaching and learning;
- provide innovative, creative and challenging teaching;
- provide a broad and balanced curriculum that provides variety and equal opportunity for all pupils, allowing individuals to develop progressively and at their own rate;
- provide planned educational opportunities that teach pupils about responsible behaviour in order that they will mature into people who will make valuable contributions to our diverse and multicultural world and the environment we are to live in;
- to enable all pupils to take full advantage of the activities provided by the school.

## **General**

In general, no charge can be made for admitting pupils to maintained schools. Where education is provided wholly or mainly during school hours, it should be free. It is therefore not possible to levy a compulsory charge for transport or admission costs for swimming lessons or for visits to museums, etc. during school hours.

## **Voluntary Contributions**

Head teachers or governing bodies may ask parents for a voluntary contribution towards the cost of:

- any activity which takes place during school hours;
- school equipment;
- school funds generally.

It is the policy of this governing body, that for curriculum activities during and out of school hours, parents should be asked to make a contribution for activities which can only be provided if there is sufficient voluntary funding, such as:-

- cost of transport to and from a visit;
- cost of admission to a visit;
- cost of instruction at swimming where the instructor has to be purchased by the school;
- the engagement of staff specifically for providing an activity/specialist instruction;
- the cost of ingredients/materials used in a project if parents have indicated in advance that they wish to keep the completed product.

## **Residential Trip**

At Cantrell we are permitted to charge for the cost of board and lodging during residential school trips. This cost will not exceed the actual cost of the provision.

Through the schools 'Pupil Premium Subsidy' the school will try to support children accessing school trips wherever possible. Where the trip takes place wholly, or mainly, during school hours, children whose parents are in receipt of the following support payments will, in addition to having a free school lunch entitlement, also be entitled to a reduction in these charges:

- Income Support
- Income-based Jobseeker's Allowance
- Income-based Employment and Support Allowance

- The guarantee element of the Pension Credit
- Support NASS under part VI of the Immigration and Asylum Act 1999
- Child Tax Credit provided they do not also receive Working Tax Credit **and** have an annual income of less than £16,190 (this limit is set for April 2011 to March 2012).

A similar entitlement applies where the trip takes place outside of school hours but it is necessary as part of the National Curriculum, forms part of the syllabus for a prescribed examination that the school is preparing the pupil to sit, or the syllabus for religious education.

### **Instrumental Music Lessons**

The Governing Body recommends that a charge may be made for instrumental music tuition for up to and including four pupils. Unless the tuition forms part of the syllabus for a prescribed public examination (e.g. GCSE), that the school is preparing the child to sit, or is part of the National Curriculum or the syllabus for religious education, in which case a charge is not permissible.

### **Public Examinations**

No charges may be made for entering pupils for public examinations that are set out in regulations. However, an examination entry fee may be charged to parents if:

- the examination is on the set list, but the pupil was not prepared for it at the school;
- the examination is not on the set list, but the school arranges for the pupil to take it;
- a pupil fails without good reason to complete the requirements of any public examination where the governing body or LA originally paid or agreed to pay the entry fee.

Charges may not be made for any cost associated with preparing a pupil for an examination. However, charging is allowed for tuition and other costs if a pupil is prepared outside school hours for an examination that is not set out in regulations.

### **Charges for Individual Pupils**

1. Charges for individual pupils may not:
  - exceed the actual cost of providing the activity divided by the number of pupils willing to participate
  - preclude an element of subsidy for pupils whose parents wish them to participate, but are unwilling or unable to pay.
2. Children should not be treated differently according to whether their parents have made a contribution.
3. Parents will be informed of the level of contribution and whether the activity can take place if parents are reluctant to support it financially.
4. Extra-curricular activities will be charged fully to the parents unless other funds are available.

It is the policy of the governing body to delegate to the Chair and the Headteacher the determination of any individual case arising from the implementation of this policy.

Authority for the day to day management of this policy will be devolved to the Head Teacher.

This policy will be reviewed every three years with an annual review of charging levels with respect to our budget.
