

### Partnership links

Cantrell Primary and Nursery School is committed to developing partnerships with a range of organisations in order to enhance and broaden the learning experience of our pupils. Here are just a few of the partnerships we are currently involved in;

<b>PARTNER ORGANISATION</b>	<b>CANTRELL'S ROLE</b>	<b>PURPOSE</b>
Bulwell EAZ	Member school	The EAZ is a collaborative group of schools in the Bullwell district of Nottingham working amongst themselves and with partner organisations to raise standards and improve outcomes for children, young people and families Projects include; Funding and administering the ITP/OTP Programme across all partner schools.
Nottingham City Primary SCITT	Member school represented on the Management Team / course QA team. Three of our class teachers are accredited student mentors/tutors.	This is a unique school-centred course offering primary teacher training to graduates. It is an intensive one-year course organised and managed by a consortium of Nottingham City schools that provide in-school training and support as well as delivering classroom-based lectures
TRANSFORM teaching school alliance	Member school represented on the management team. Our literacy co-ordinator is an accredited SLE working for the alliance.	Transform is a primary-led Teaching School Alliance working with partner schools (cross-phase) and other strategic partners such as the Diocese, local authority, universities and the private and 3rd sectors. Our Mission: To foster excellence in and across our schools Transform is developing to meet the unique and evolving needs of its members.
Nottingham Learning Trust	Member school-one of our Head	NLT is a schools-led venture, incorporated independently and working as a partnership of member schools to promote the very best

	Teachers is appointed as a Trustee.	outcomes for the children and young people of Nottingham. Projects so far include commissioning annual performance reviews for all member schools, refining school performance data sets, providing 3 conferences designed to meet the needs of children across the city.
