

Year 4 News

Summer term in Year 4

Welcome back,

We are really happy to see everybody back after the Easter break. This term we have LOADS of fun things to do. We will be learning all about the water cycle and rivers as part of Geography, this will inform our writing for this term too.

Our learning this term

Literacy - To write to entertain and to write to persuade

Maths - Fractions, Decimals, Time, Money, Shape, Statistics

Science - Classifying animals

Geography - Rivers and the water cycle

RSHE - online safety, the changing body

PE - Athletics, Team games, Multi sports

Computing - Logo, Effective Search, Making

Music

Music - Brass lessons continue

Art/DT - Watercolours, animation, CAD

Spanish - Ordering food, weather and clothes

Upcoming Events

- Sports day - 23.5.24
- Multiplication check - 3.6.24 -

School Activities

- Choir - Tuesday
- Art club - Thursday
- Area Band - Thursday

Reminders!

The year 4 multiplication check is approaching.

As you may know, the Multiplication Tables Check for year 4 children is happening between Monday 3rd June and Friday 14 June 2024. The checks consist of 25 times tables questions. The questions will only be multiplication and they will go up to 12×12 . There's nothing novel about the questions and they don't require problem solving so there's nothing to trip them up.

There will be 6 seconds to answer each question.

The check will be taken online during school time.

There is no pass mark.

Teachers will be able to apply for some children to be able to pause between questions.
