

Year 4 News

Autumn term in Year 4

Welcome back,
We are really pleased to see everybody back and we hope you've had a relaxing break. This term we have LOADS of fun things to do. We will be learning all about North America and The Maya.

Our learning this term

Literacy - To write to entertain - using the texts 'Krinklekrax' and 'The rain player'

Maths - Place Value, Addition, Subtraction, Multiplication and Division

Science - How do we hear?

Geography - North America

RSHE - All about me

Computing - Coding and online safety

Music - Brass lessons

Art - Sketching

DT - Food - making a packed lunch

Reminders!

The year 4 multiplication check:

As you may know, there is a national Multiplication Tables Check for year 4 children. This check usually takes place in June.

The checks consist of 25 times tables questions. The questions will only be multiplication and they will go up to 12×12 . There's nothing novel about the questions and they don't require problem solving so there's nothing to trip them up.

It is therefore, very important that your child is working hard on these at home, as well as the practices we will complete in school.
