

Online Safety– KS1 Pupil Contract

Keeping me safe at home and at school

2024

I will always check with a grown up before using a phone/tablet/laptop to play games or speak to my friends.

I will always tell a grown up if I see something I see online that makes me feel worried, scared or sad.

If I feel lost or stuck on the internet I will always ask for help.

I will keep information about myself or my family (like our names, school, addresses and pictures) private and not share them with anybody.

I will not speak to strangers or people my adults do not know I am speaking to.

Parents/Carers– Please refer to our Privacy policy with regard to pupil data which can be found on the school website.

I have spoken to my child about following these online safety rules which are there to keep my child safe at home and at school. I give permission for my son/daughter to access the Internet at school, and will encourage them to abide by these rules. Children will receive advice on e-safety at school. Advice for parents is on our school website.

I understand that the school will take reasonable precautions to ensure pupils cannot access inappropriate materials. I will encourage my child to adopt safe use of the internet and digital technologies at home and will inform the school if I have concerns over my child's e-safety
