## Welcome to our second term in Year 1!

We have got another exciting term planned. For the first half term we are looking at people who help us-the real-life superheroes. We focus on how the Police have changed from when they first started in 1829 to now. We also look at our favourite fictional Superheroes and develop our sentence writing skills to include adjectives to describe them. We will also be having a Superhero dress up day-keep an eye on Dojo for more details. For the second half term, our focus turns to Space and how space travel has developed and changed over the years. We will also continue to develop our knowledge of the seasons and how the weather changes throughout the year.
