Context

The PPG is additional funding the Government provides to help schools support children from low-income and other disadvantaged families to achieve as well as their peers. We support the children to develop a growth mind set and attitude towards learning. Our priority is to ensure that day to day teaching in school continues to improve with increasing percentages of outstanding teaching across the school. Additionally, we also ensure that focused support and strong pastoral care is given to children that require it, so they are able to achieve their full potential.

Key Challenges

Social, Emotional and Mental Health development

Communication and language development in EYFS

Early Reading

Academic progress and attainment - focus writing

Attendance

Our Intended Outcomes
