

Behaviour Policy 2020 COVID-19 Addendum

At Cantrell Primary School, we aim to maintain a secure, caring and stimulating environment in which children are encouraged to have respect for themselves and each other. Whilst expectations in Cantrell's Behaviour Policy remain pertinent, it is necessary, in light of the Covid-19 pandemic, to make some adjustments for the safety of all pupils and staff. These adjustments are set out below:

In addition, children and staff should:

- Respect the revised day-to-day expectations of the class 'bubbles' and wider school.
- Children should adhere to the revised rules and expectations for entering and exiting the school site.
- Children should stay in their own rooms unless directed otherwise.
- Children should only interact with others in their own bubble throughout the school day.
- Children should only use their designated entrances and exits to the school building.
- Children should stay at their own desks unless otherwise directed.
- Children should obey social distancing rules at all times, in and out of the class bubble.
- Children should follow hygiene rules, including washing hands, when asked to throughout the day.

Be aware of, and follow, expected Self-Care and Health needs:

- Children should inform an adult if they feel they have any Covid-19 symptoms (symptoms will be shared with children).
- Children should use tissues when sneezing or coughing and dispose in lidded bins
- Children should only use the toilet areas one at a time and thoroughly (at least 20 seconds) wash their hands after use.
- Children should only use their own resource packs, not interfering or touching any others resources or equipment.
- All items used in the class bubble will be cleaned and sanitised after use e.g. lunchtimes and end of school day.
- Children should only use their own water bottles and eat/drink their own food. No sharing is allowed.
- Children will not bring any additional items into school other than lunch boxes, water bottles, hats, clothing and sun cream. They will bring these items in a bag, which will remain on the back of their chair throughout the day.

Rewards and Sanctions

Recognition will continue to be made to those pupils who display positive behaviours; however, adjustments will need to be made to those detailed in the current school behaviour policy. Staff can inform the SLT (Senior Leadership Team) of exemplar behaviours in their bubble and texts or telephone calls will be made to parents to recognise those achievements. Social media platforms will continue to be used to showcase work that takes place in school.

In the unfortunate event of misbehaviour, pupils will be given clear, explicit warnings and reminders of appropriate choices. If, following this, behaviours do not improve the class teacher (in the first instance) will contact parents to discuss these issues.

In event that there are recurring incidents, which may pose a risk to pupils/or staff, parents will be contacted, and children will be collected from school to ensure the safety of themselves and others.

If any adverse behaviours take place that could affect the health or safety of pupils or staff, a risk assessment may be completed to review the safety of the child in school whilst on site during the pandemic restrictions.

Spitting, physical attacks, refusal to comply with, health and safety or social distancing requirements that could heighten the risk of harm to others may result in exclusion, which will be decided by the Head Teacher.
