

Cantrell Primary School

Newsletter 17th July 2020

Almost there! The summer break is nearly here and a well-earned break is on the way!

As we said last week, we will not be setting work for the holidays, but we would love you to get creative and keep active during the five weeks. Reading will be essential, as this will help you relax and also keep your skills sharp!

School officially **finishes on Friday 24th July** and we return to school on **Thursday 3rd September**. **A letter with detailed plans for September is on the website and will be sent with your child's report. Please read this carefully and share with your child.**

Free School Meals. Vouchers are ready to collect; these will include your summer voucher totalling £90 per child. These must be collected by 3pm on Friday 24th July. Please note vouchers must be spent by **9th August**; this is a government decision.

School visits. We have invited each class back for a socially distanced meeting with their **old teacher and class** and to **collect the end of year report**. It will only be for half an hour, but a chance for them to say goodbye and perhaps meet their new teacher too! We understand if you do not want to bring them and are still staying safe at home; we will post your report to you.

The current children in the **Key Worker, Year 1 and Year 6 bubbles** will not be affected by this. Please attend in the usual way.

FAQ:

- **Will I meet my new teacher?** If you child's new teacher is available they will meet the new class
- **Will I be able to stay with my child?** No, we are limiting the number of adults on site for safety reasons
- **When do I collect them?** See the table below
- **Where do I drop them off?** Main gates
- **Is this the only time available?** Yes
- **Will I still get my report?** Yes, this will be posted
- **What information will my child be given?** Just a chance to say goodbye and see you soon
- **Where will the meeting be?** Weather permitting, outside; if not, in the hall, socially distanced at all times and hand hygiene will be maintained if entering the building
- **If I have more than one child can I bring them all at same time?** No, we have allocated times for staff availability
- **Will I find out which class my child is going into?** Yes, but this is also in a letter sent in the report
- **My child starts in Reception in September - what will happen?** You will receive a pack from the class teachers next week and a video introduction will be on the website.
