

# Cantrell Primary School

## Newsletter 26<sup>th</sup> June 2020

We hope you are continuing to keep safe and well. Remember we are here if you need to contact us at all, you can call or email and we will endeavour to put you in touch with the right person. If your child would like to email their teacher then please let them email: [admin@cantrell.nottingham.sch.uk](mailto:admin@cantrell.nottingham.sch.uk) and we will forward the message to them and they will reply as soon as they are able.

A reminder to the children who are attending school at the moment: they must remember to be prepared for the weather, **sun hat, sun cream** and **appropriate clothing/footwear** are essential please, as is a refillable **water bottle**. If your child has **hay fever, medication** is also essential.

### Reopening of school to more pupils

We cannot wait to have you all back! Just a reminder that from Monday 29<sup>th</sup> June we are welcoming back some of our **Year 1** pupils. If your child has been allocated a place, you will have received a pack in the post. It is essential that the home school agreement is read thoroughly and signed by both pupils and parents. This must be handed in on entry on Monday. Wait outside the main gate, 2 metres apart and Mrs Weaver will collect you and direct you to your bubble and teachers at **9:45am**. Remember that **school is not open to year 1 or 6 on Wednesdays**. School will finish for Year 1 at **2:30pm**.

Pupils do not need to wear uniform if they don't have items that fit! We know you all have gotten taller and we don't want parents to spend money on new uniform for the last few weeks. Please wear clothing and shoes which are appropriate. You will need to ensure clothes are washed daily as soon as the children return home to avoid any transmission.

We **do not have capacity to open to other year groups yet and our key worker/vulnerable group provision is full and we have a waiting list**, we will let you know as soon as we can if space becomes available.

At this current time, we have **no plans to open over the summer**. However, we will be providing FSM children with vouchers to cover the five-week break.

### Message from a member of staff

Each week a member of staff will send a message; this weeks comes from Mrs Davis-Balfe:

"Hello Everybody,

I hope that you are all keeping safe and having fun with your families! It seems very strange not to be with you all and we're missing you lots. During my time at home, I have learnt how to make bread. Have you learnt a new skill? I have also been going for a walk with Eva most days. We found fairy doors in Oxtow Woods one morning, which was very exciting. I would love to hear what you have been doing so please feel free to email the school office and they will forward the messages to me. I hope to see you all soon. In the meantime, please try to go outside, have fun and take care."

Lots of love, Mrs. Davies-Balfe
